DEAR SIR/ MADAM

REF: APPLICATION FOR INDUSTRIAL ATTACHMENT

I am a 4th-year student pursuing a Bachelor Of Science degree in Computer Science degree at Egerton University and I wish to apply for an attachment in your company. Your company is very suitable to me in terms of my area of interest and your location.

It is a requirement that I spend at least 8 weeks in a company or organization that is related to my field of study . I wish to apply what I have learned to contribute to your organization and the community. The course has prepared me to become a specialist in computer programming, cloud computing, artificial intelligence, networking and IT Support.

I enclose herewith the letter from the University and my particulars.

I shall be grateful if my application is considered favorably.

Thank you

Yours Faithfully

Lincoln Kang'ethe
